Announcing New Ownership & Management

Effective March 15th Eagles Ridge Golf Course is under new ownership. Look for a new fleet of golf carts starting around the middle of April as well as new range balls and improvements to cart paths throughout the golf course. New events and tournaments throughout the season and the opening of the 'Grandview 19th Hole' Restaurant are many of the things to look forward to this spring as we transition into the facility. Please stop by and check out the changes, and if you are not a member, please consider picking up a membership application at the Pro Shop.

Member Exchange Days & Reciprocal Agreements

Eagles Ridge members had twenty exchange days with eleven different golf courses in 2017. The cost to play these golf courses on the designated exchange day was around \$15.00 w/cart. We also had reciprocal agreements established with eleven other golf courses, giving our members the ability to play these courses anytime at reduced rates. We will have the same program in place for the upcoming 2018 season. If you would like to join in playing other courses at great rates grab a membership application at the Pro Shop and join in the fun.

1st Annual 'Derby Day' Season Opening Tournament

On Saturday, May 5th, we will be holding our 1st Annual Derby Day Season Opening Event. We will continue the tradition of a 4-Person Scramble Format with some added games and prizes in the spirit of the 'Kentucky Derby'. This will be limited to the first 28 teams, so sign up early at the Pro Shop to get your winning team on the list! Food, Prizes and games after the event will be sure to add to an already great event! We will be looking for some volunteers to help out, so anyone that would like to assist with planning please contact Teresa up at the course. Stay tuned for more details throughout the upcoming weeks.

Eagles Ridge Golf League Meeting Dates
